The Baby Signs Program is based on the groundbreaking Baby Signs Research which began an international movement to teach hearing babies to use signs. After 20 years of careful study, Baby Signs Researchers proved that using signs actually enhances language, cognitive, and social-emotional development.

THE BABY SIGNS® PARENT WORKSHOP

Baby Signs® are simple gestures that are easy for parents and babies to learn and use. It allows babies to share their world and jumpstarts their intellectual development. This is an introductory sign language class for the parents, extended family, and caregivers of healthy, hearing infants up to 36 months of age. Babies do NOT attend this one hour session. Fee includes a take home kit to get you started. The actual Baby Signs® class where the children attend will be offered in the Spring.

and participate in activities like bingo, speakers, trips, holiday parties, crafts and other projects. For many seniors the program provides an environment where lasting friendships are developed.

Don't expect the Silver Club to stay in Culpeper every week. The club usually takes a trip every two months. Trips have included Cumberland Scenic Railroad, Baltimore's Inner Harbor, Riverside Dinner Theater, Lunch Cruises, National Cathedral in Washington, D.C., Bedford D-Day Memorial and Graves Mountain Lodge. In addition to the larger trips the Silver Citizens go on smaller trips to local sites of interest.

One way that the Silver Club stays informed is through its speaker program. Over the past year the group has heard presentations from community organizations, police, businesses, county officials, entertainers, historians, authors, storytellers and other notable members of the community.

Speaking of community, the Silver Citizens play an active part within the Town and County of Culpeper. Many serve the community as volunteers and mentors. The club also actively supports the Adopt-US-Troops program sending packages and cards to three area soldiers serving in Iraq.

The benefits to its members and the community-at-large are immense. Now is the time to recycle your expertise and life experience and share it with others.

Many recent articles in the *Culpeper Star Exponent*, *Culpeper News* and *Culpeper Citizen* have profiled the activities this group undertakes.

SPECIAL EVENTS

SILVER SCREEN CLUB: WATCH CLASSIC FILMS!

Remember the grandeur and pure entertainment of classic films? Want to see those films on a big screen and chat about them? SPORTS

JUJITSU

Jujitsu is one of the most ancient forms of the martial arts in the world, with origins dating back over 2500 years to China and Japan. This martial art is the practice of self-defense without the use of weapons. The use of throws, holds, and blows are used in conjunction with clever use of the attacker's own weight and strength. The junior class will cover self-defense techniques, conditioning, and grappling. The adult class will focus on the same principles, but much more heavily on the application of techniques.

Culpeper County Parks and Recreation

What’s Going On?

CULPEPER RECREATION FOUNDATION, INC. - P.O. Box 36, Culpeper, VA 22701

The Recreation Foundation continues to seek funding to support the Culpeper Community Complex. There still remains opportunity for naming ball fields, scoreboards, roadways and the total Complex. For additional funding information, please contact the Parks and Recreation Office at 727-3412.

CULPEPER COMMUNITY COMPLEX

The Complex continues to improve its looks with the assistance from Premier Sports Field, LLC. Bob Benyo and his crew are slowly transforming what was once dirt and weeds into a recognizable sports complex. The 59-acre district park will feature six soccer, three football, six Little League and one youth ball fields. The field turf selection is a Riviera brand Bermuda seed. This product is a hardy, cold tolerant turf that greens up in early spring as opposed to other Bermuda brands. The Riviera turf will tolerate additional foot traffic and repair worn areas at a quicker rate, if needed.

Prior to the winter, all fields were over-seeded with rye grass to keep the turf looking green. A winter turf blanket will be installed over the baseball infields to help protect the Bermuda sod. In all, the fields are expected to be ready for action the month of April.

The Culpeper Recreation Foundation, Inc. has been busy locating potential funding sources to assist in further development of the park. Presently, the Foundation raised sufficient funds to have outfield fencing constructed on each of the baseball fields. The fencing will be six feet in height to reduce long balls and protect young ballplayers from reaching the roadway. Other Foundation priorities at the park will be two concession stands, scoreboards, flag poles, entrance sign, spectator bleachers and other smaller needs.

**SPILMAN COMMUNITY PARK,** is located in Jefferson District on Route 621 (Colvin Rd). Within the next several weeks, a new pre-school swing set will be built and additional safety surface added to the playground unit. Winter is a great time for residents to enjoy a leisurely stroll on the walking trail, as it meanders through the woods. Take some time to exercise and appreciate nature.

THE LEISURE TIMES RECREATION GUIDE

Below is a listing of non-profit recreational groups based in Culpeper County. The Parks and Recreation staff strives to keep contacts and numbers as current as possible; however, staff is not always informed of changes. This listing is also on our website for your convenience. Depending on space availability in each issue, this guide may occasionally only appear on our website at [www.culpepercounty.gov](http://www.culpepercounty.gov). If you would like to have your non-profit recreation related organization listed, please send your information to Tabitha Riley at [triley@culpepercounty.gov](mailto:triley@culpepercounty.gov). Please include: organization name & description of activities, contact name, phone number, and email OR web address. All requests are subject to approval.
